Shockingly updated Sample Books

 Old Sample Books can be dropped off or sent with jobs to Gall Laminating and we will replace it with a new Sample Book.

 Information in the Sample Books can also be found on our website www.galllaminating.com.

Upgraded equipment makes frighteningly happy customers

 Recently Gall Laminating purchased a shrink wrapping machine. We can now help to give your job a more professional finish. Sheet sizes handled are up to 11" X 15". For smaller light weight jobs a cardboard backer or equivalent may be needed to keep product flat.

 A computerized paper cutter has been added to provide a faster turn-around of trimming jobs. It is a smart, useful and welcomed addition to Gall Laminating Company.

Calendars

 2007 - 2008 calendars are printed and laminated.

We have included a complimentary calendar.

Please call us 717-393-6317 to request more calendars.

Avoid spooky charges on one-sided laminating

You can avoid extra charges on your invoice by sending one-sided laminating jobs within the requirements listed below:

- ☞ Minimum paper size is 9" X 12".
- ☞ Press sheets require a minimum of 1/2" space on all 4 sides between image and edge of press sheet.
- ☞ 80# text is the lightest acceptable paper weight for our machine.

Special note: 1.7 mil film is recommended for one-sided laminating for best results

do the job you deserve

☞ Please help us do the job you deserve - the **best** possible and take a moment to answer 6 questions on our Customer Satisfaction Survey located on www.galllaminating.com under Gall Sundry.

Other chilling services we provide that you may not know

- ☞ Pouch laminating is a 2-sided laminating application for ID cards, badges, name tags, luggage tags, etc. Pouches include 1/8" rounded corners and can be slot punched or drilled. Leather straps, metal clips, lanyards and silver chains are available accessories for purchase.
- ☞ 1/4" or 1/8" round cornering for paper or laminate will eliminate any sharp edges.
- ☞ Brass eyelets and grommets can be applied to your posters, signs or products in 1/8" or 1/4" eyelets and 3/8" grommet. Eyelets are one solid piece and grommets are two separate pieces.
- ☞ Double-faced tape applications available in 1/4" or 1/2" widths will aid in your need for adhesion.
- ☞ Velcro applications featuring dots or strips both available in hook or loop.
